Dear Autumn Waddell:

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2020-229-E - Dominion Energy South Carolina, Incorporated's Establishment of a Solar Choice Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No. 2019-182-E)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscription at this link: <https://dms.psc.sc.gov/Web/Email>; or you can specifically follow Docket No. 2020-229-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/117571>

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,
Becky Latimer

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

My household is a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I believe in fair, equitable energy options and the consumer's right to access all of these options equally without unnecessary obstacles. Dominion's proposal for net-metering and other price increases violates the guidelines set by the South Carolina Energy Freedom Act in 2019 and poses a threat South Carolinians' ability to access renewable energy. It would increase the cost of having solar power by over 55% and would add an unfair and exclusive 'solar subscription fee' that could potentially discourage interested consumers from investing in solar energy. The Commission has a responsibility to be "nondiscriminatory to small power producers", as outlined in the Energy Freedom Act, and reject Dominion's proposal.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes.
